

Beaver Report for A.G.M. 6th July 2007

After I took over the Beaver Section at Easter, the number of Beavers now on the register is 13 with 9 currently on the waiting list.

Over the last 12 months some of the things the Beavers have done are: -

- Adopted an Orang-utan at Chester Zoo.
- Had a chocolate tasting session
- A visit to the fire station
- A Winnie the Pooh night, when the boys had to take in a character from the story and ate honey sandwiches.
- Made Easter cards and decorated hard boiled eggs.
- Designed and constructed "Hot- Wheel" cars out of junk materials and had a race them with huge fun
- Made a map of Silsden
- Went on a "Treasure Hunt"
- Made sweets
- Erected a tent with the Scouts and had hot-dogs
- Attended the fun day at the Centenary Camp

Apart from being cold and at times wet, 6 Beavers attended the Centenary camp where they participated in the climbing wall, bouncy castle, and planetarium and had a go at circus skills.

We all had a really good day, finishing off with singing songs around a campfire then and finally watched a firework display.

I am hoping to award all the Beavers their "Creative Badge" for making the model cars and to award some with their "Outdoor Challenge" at Bolton Abbey on the 20th July.

I would like to take this opportunity to thank all the parents who have supported me on a Monday night and have agreed to help on a regular basis; without you the section would not exist.
