6. OTHER PLANNING MATTERS AND UDP-  
Comments to be forwarded to BMDC with regards to the casualty reduction scheme for Keighley Road.
  - 1) Mini roundabout at Belton Rd junction as this where all bar one incidents took place.
  - 2) Yellow lining from River Bridge to where the Blue balls are now.
  - 3) Consider that formalised parking at the Bridge Inn and downwards would actually create a hazard.
  - 4) Agree with reduction to 40 mph but would like to see it being 30 from the Golf driving range up towards town and 40 from the Golf driving range down to trunk road.
  - 5) Would welcome the flashing speed sign, but would like it placed by the Golf Driving range.
  - 6) Would welcome road crossing as long as it is a raised island and not just painted.
  - 7) Would suggest a 7.5 Tonne weight limit
  - 8) Would accept right turning lane being reinstated and blue balls removing only after full consideration given to a mini roundabout.

Information from BMDC on casualties in this area are to be kept on file with a copy to go to chair of Keighley Planning Committee.
