

**MINUTES OF THE MEETING OF SILSDEN TOWN COUNCIL
IN THE MEETING ROOM, SILSDEN TOWN HALL ON
11th Sept 2012**

Commenced : 7.30pm

Concluded : 8.20pm

Present: Cllrs A Conway, Asquith, Huggins & Savage. Ward Cllrs Naylor and Mallinson, Nigel Gillat
BMDC Asset management Public [9].

Cllr Savage in the Chair

1. Apologies for absence were received and accepted from Cllrs Atkinson, Croft, Bell-Jump, Jump and K Conway.
2. No declaration of interest was made.
3. Council heard proposals from Bradford council's asset management department regarding the Town Hall and possible refurbishment, information on back log of repair works, noting that none had been done according to asset management for a number of years. They heard that it was Bradford's plan to sell both Wesley place and the library in order to raise the capital receipt to cover the proposed works in the TH to a maximum spend of £300k which needs to include repair works and all legal costs. They also confirmed that there would be no monies available this financial year, and they would have to relook at the design for disabled access as they were not sure now whether it was possible to do as currently designed. Council will formulate a response in their November meeting allowing councillors to peruse these plans and have time for a considered response.
4. Public adjournment was taken to allow the public to speak direct with asset management from 7.45pm till 8.17pm.
5. The chair closed the meeting at 8.20pm.
