From Friends of STH The Town Council will no doubt be aware of the proposed budget cuts by Bradford Council which threaten our Town hall.
The Friends of Silsden Town Hall unanimously voted to oppose the cuts threat to the Town Hall and for its retention as a local authority building, serviced by paid staff. A campaign group has been formed and there is to be a public meeting on January 9th.
As you will know, the Friends in their two years of existence have achieved a great deal in raising the profile and increasing the all-age usage of the TH and we feel there is a very good case for its continuation as a publicly held premises.
We would like to know if we have the support of our Town Council
