Dear Sir or Madam

We are writing to ask you for your support for the newly formed 'Silsden Youth Council'. At present we have approximately 30 members, including a Chairperson, a vice Chair and eight young people on the committee. We hope to gain more members as people find out about us through projects. Our constitution states that our aims are to preserve and enhance the facilities for young people in Silsden.

With the 2500 new houses planned through the UDP we are more than aware that more facilities are and will be needed in Silsden. We would therefore like to tell you about our first project. 'Rocks and Ramps'. We are hoping to design and fund a skateboard/trail bike park.

We realise that it will take time to raise the necessary funding for this project and will be unable to do all of it by ourselves therefore we would greatly appreciate sponsorship from your firm. We are working with the full support of Silsden Town Council and the local Community Police, representatives of which always attend out meetings.

As a youth council we hope in the future to have an opportunity to organize a variety of projects to suit the needs of all the young people of Silsden. Which we hope in turn will lead to a reduction of crime and anti-social behaviour in our small town.

May we take this opportunity to thank you in advance for you valuable support in this exciting first venture.

Yours Sincerely

For and on Behalf of
Silsden Youth Council.
