

BRADFORD DISTRICT COUNCIL ELECTIONS 2019

CAROLINE WHITAKER

**VOTE FOR
SOMEONE LOCAL**

I have lived in Silsden for 25 years having been born and brought up in Skipton.

I have raised my family here and my children attended the local primary schools. I was a member of the PTA at Aire View Infant and Hothfield Junior school for many years and was a parent governor at Aire View for four years.

**VOTE FOR
SOMEONE WHO WORKS HARD**

“I believe it is important to give something back to the local community.

I have been the secretary of the Friends of Silsden Library since its inception, and am heavily involved in the Grand deParty team who organise events in Silsden every July. I have also been the voluntary booking officer for **Silsden Town Hall** since the ‘Friends Of’ group took over its running 12 months ago.”

**VOTE FOR
SOMEONE WHO TAKES ACTION**

Caroline was appalled by the threat to our local countryside posed by the application to build a new access road from Bolton Road.

Along with Cathy Liddle, Caroline set up **Silsden Campaign for the Countryside** which launched a major campaign to oppose the new road. 400 objections were submitted and Caroline was delighted when this planning application was refused.

Caroline will continue to fight to ensure that housing development in the town is proportionate to local needs, not just random targets, and that the badly needed affordable housing and accommodation for elderly residents is prioritised over executive homes.

She will also act to ensure that all other issues affecting the Craven towns and villages, such as flooding, are heard. Earlier this year Caroline was co-opted onto Silsden Town Council and has thrown herself into the work they do liaising with Bradford Council Officers to **address local traffic problems including speeding, pollution and road safety.**

**VOTE FOR
SOMEONE WHO WILL STAND UP FOR YOU**

Unlike the major parties, the Green Party never tells their councillors how to vote, this means Caroline can put Craven residents first, instead of party politics, and truly represent your views.
